RE: Case No. 2007-00443
Filing Deficiencies

The Commission staff has reviewed your application in the above case. This filing is rejected for the reasons set forth below.

1. Filing deficiencies pursuant to 807 KAR 5:076

807 KAR 5:076: Section 4 If copy of public notice is included, did it meet requirements? * (for sewers, direct mailing is required. See KRS 278.185)

The application does not state that the notice was mailed to customers and the rate cannot be determined from the notice.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may refile your proposed tariff with a new proposed effective date that is at least 30 days from the date you filed the required information. You are requested to file 5 copies of this information within 15 days of the date of this letter. If you need further assistance, please contact James Goff at 502/564-30940 ext. 261.

Sincerely,

Michael F. Burford

RE: Application for Sewer Rate Adjustment Notice (case #2007-00443)

South 641 Water District submitted the applications and has received the Public Service Commission's letter of receipt acknowledgement that stated a date-stamped receipt of October 9, 2007. With that being said, we notified our sewer customers via direct mail and posted the proposed rate changes in the South 641 Water District office.

On October 18, 2007 South 641 Water District mailed 260 copies of the enclosed usage based sewer notice to our sewer customers.

On October 18, 2007 South 641 Water District mailed 10 copies of the enclosed flat rate minimum bill sewer notice to our sewer customers that do not have water service through the district.

If you have any questions, please call Rebecca James (270) 492-8857.

Sincerely,

Rebecca James
